Something Scrumptious

At Stage Suites we have hosted many Asian weddings so our experience is second to none.

We can offer you a personalised service providing a flexible room layout to suit your requirements for your celebrations with family and friends.

We welcome working with outside caterers and can work with our approved suppliers or can be open to a supplier of your choice. We have great relationships with caterers which provide dining options for the Punjabi, Gujarati, Muslim and Bengali markets, plus many more. We provide a dedicated self catering kitchen area to prepare your event food, your caterers may want to provide all the serving dishes and platters, ensuring you have the best possible food and overall experience. We also supply a wedding host and can provide bar staff if required, giving you as much or as little support as you need.

There are a variety of drinks options available, if you'd like the event to be alcohol-free, no problem. We'll design a drinks package to suit you or you can supply your own drinks.
